## THE LENOVO® THINKCENTRE® M92 / M92p DESKTOP SCALABLE FOR PERFORMANCE AND PRODUCTIVITY

The Lenovo® ThinkCentre® M92/M92p is designed for extended lifespan with reliability, manageability, and sustainability. Desktop maintenance is hassle free with 15 month life cycle and high platform stability through Intel® Stable Image Platform Program (SIPP). In addition, the Intelligent Cooling Engine (ICE2) helps you manage desktop acoustics and cooling as required.

Choose your desktop from the tower, small form factor, or the new tiny form factor – specifically designed to suit your need. The new tiny form factor is the industry first 1L Intel® vPro™ desktop along with VESA mount support for multiple mounting options – including at the back of a supported monitor.

Powered by the latest 3<sup>rd</sup> generation Intel® Core™ processors, the ThinkCentre® M92/M92p provide uncompromised performance across form factors. Maximize system efficiency with Lenovo Enhanced Experience 3 and RapidBoot HDD accelerator. Gain greater performance with support for Intel® Smart Response Technology. The desktop is loaded with the industry leading features for communications and enhanced user experience.

The ThinkCentre M92/M92p offers all that you need to work in peace of mind – the best performance, enhanced productivity, and renowned reliability.

### LENOVO ENHANCED EXPERIENCE FOR WINDOWS® 7. FAST. SECURE. BUILT FOR BUSINESS.

Discover a better way of doing business with the new Lenovo Enhanced Experience for Windows® 7 on Think PCs. Faster, more durable and greener Think PCs are optimized for Windows® 7 to deliver improved ease of use. It enhances productivity and foolproof security that your business cannot do without.

Lenovo® recommends Windows® 7 Professional.
